**RE: United States v. Kasien Adderley
Criminal Docket 22 CR 82 (CM)**

Dear Judge McMahon:

This letter is a request to adjourn sentencing for my client, Mr. Adderley, which is scheduled for September 28, 2023, before the Court. I am requesting an adjournment to the first week of November because my mother is in the ICU at Maimonides Hospital and is scheduled to be extubated this week and is not expected to survive. I am her only child and my mother also lives with me so I imagine my next few weeks will be consumed with planning her funeral and other matters. I have communicated with the Government and the Government does not object to my request.

Thank you for your time and consideration in this matter.

Respectfully,

Kenneth J. Montgomery

Attorney for Kasien Adderley
